Issaquah Small Commercial Retailer Vendors

Small retail businesses physically located in Issaquah, which are individually owned and operated, and have a physical product to sell, are invited to participate in this opportunity that usually doesn't exist at Salmon Days. Traditionally, the Festival features only handcrafted arts and crafts made by the artist, so this is a great opportunity for our local small retail businesses.

Please note that all products sold at the booth must be physical retail items. Services such as gutter cleaning, window washing, etc., will not be accepted.

10x10 - \$1,050

10x20 - \$2,100

Non-Profit Vendors

Bring awareness to your 501(c)3 organization by having a booth at the Festival! You can also fundraise by hosting a booth or selling parking spaces during Salmon Days. There's no limit to how you can showcase your organization! Applicants must demonstrate that they provide a service to the Issaquah community.

Please note that only 501©3 organizations can apply and you also need to attached a copy of your IRS Determination letter to your application.

Government & City Vendors

Special government and City of Issaquah organizations that provide services to the Issaquah community are encouraged to participate. Since King County and the City of Issaquah offer regional services to Issaquah residents, Salmon Days provides a valuable opportunity to educate, engage, and distribute resources to the community.

Please note that Public school organizations, such as Robotics teams, fall under this category as they do not qualify as a 501(c)(3).

10x10 - \$375

10x20 - \$750

Spawnsor Booths

If you do not meet the qualifications of the various booth types, you may want to consider being a spawnsor. Spawnsor booths start at \$4,000. Please note that specific

placements depend on the level of the sponsorship. For more information, please email: events@salmondays.org.
