WHERE CAN I SEE THE SALMON?

The **Issaquah Salmon Hatchery**, located off of West Sunset Way in downtown, is the most popular spot to watch the salmon returning upstream.

The Issaquah Salmon Hatchery was completed in 1937 as a Works Progress Administration project. Today, the Issaquah hatchery is the most-visited state hatchery, with up to 350,000 visitors a year. Friends of the Issaquah Salmon Hatchery (FISH) trains guides who amaze visitors with the depth of their knowledge about the Northwest salmon life cycle, the importance of watershed stewardship and the operations of the historic hatchery.

Want to explore Issaquah a bit more? Other areas where you might spot our fishy friends include:

WHAT IS SALMON DAYS?

The Salmon Days Festival was spawned in 1970, out of a desire to celebrate one of Issaquah's greatest treasures - the annual return of the salmon.

With more than 200 on-site artists selling their handcrafted products to an audience that gathers from near and far, we hope you'll find a lot to love at this year's Salmon Days and make your own festival memories.
